

**We Serve**

### From the desk of President Lion Ron Hansen

Fellow Lions,

Tell your friends, if they need something to do, consider joining this group of great people, "The Lions."

I don't know where summer went but its gone and most of our work is only half done.

Lion Mike Simerick did a wonderful job with our pancake fundraiser. If there is anyone who would like to get involved in this project and give Lion Mike some help, please let a member of the board of directors.

Our list of service work is a long one but we all love to do this. Thank you all for what you do. Please remember those who are going through struggles with life. In our own health concerns and our families also.

The Veterans' Memorial Causeway project is something we all will be proud to say that we has a part in. ~Lion President Ron

### From the desk of Lion Dennis Cobler, PID

Hello Lions:

I am attempting to write this with the time constraint monkey on my back. The project on the Causeway plus the onus of preparing 1000 raffle calendars for your viewing pleasures have compressed the first two weeks of September into what feels like two days. Four of us from Northside(Coblers, Barb Pellerin and Jan Snyder)will be leaving tomorrow(the 17th) for the USA/Canada Leadership Forum held this year in the Kansas City suburb of Overland Park. Here the grizzled Lion veterans will attend a few of the seminars, attend endless meetings that have been piggy backed into the schedule and still have some time to visit with long time friends from the rest of the U.S. and Canada. The rookies will attend as many sessions as they can and also enjoy the friendships that come from this good yearly event. So much to learn and so little time!

The 25th of September will find me and my best friend (Kathleen) leaving for what may well be my last vision mission. We will be in Jamaica with a medical group from Iowa seeing about 200 children a day. The only other Michigan Lions will be PID Gary and Cheryl Anderson. Thus, mercifully, ends September.

I will be attending the meeting of the European Global Leadership Team in Amsterdam October 4th and 5th in my roll of the International GLT Coordinator then flying to Sweden to spend a few days with a very good friend we met through service on the Board as well as many other levels of leadership since. I have found that a willingness to serve has many benefits both locally and internationally, friendships being the most enjoyable.

Please continue to have a positive outlook on the Calendar Raffle sales, focus on what it means financially to our community, not on the efforts to sell them. See you next month, same time and same page.

~Till next month, Dennis.

We have contributed to this wonderful milestone because of our Calendar Raffle. Please put your utmost effort into this project.

### An Editorial by: Lion Ed Weessies, PCST Lions Tale Editor

Fellow Lions,

Well we are on our way to cleaning up the Veterans' Memorial Causeway.

September 9th was the kick-off with 18 Lions and 13 non-Lions putting in 156 hours of hard labor. The following Saturday was the second day of the project with 18 Lions and 17 volunteers giving a total of 138 hours. They were helped by the Muskegon County Road Commission and one of their highway mowers that cleared the outer parameter. With all this help we will get things done.

I wish I did not have to keep bringing it up but as I have asked, committee chairpersons are to submit a list of dates of their events and submit a written report of any event they chair to me so that I can report it to Lions' International and submit them to the club, district, state and Lions International publications. If you need copies of the event reporting form, let me know. A picture is worth a thousand words so they say. Please have someone with a digital camera at your events. I have gotten notice that we have not been completing the activities reports to Lions International but without your cooperation, it cannot be done.

Our Raffle Calendar was distributed at our September 17th meeting. If you were unable to attend that meeting you should be receiving a call to arrange a delivery. Lions Bradfield, D. Cobler and DiPiazza have the calendars ready for you to get busy selling them. Having three months to get them sold should make it a bit easier. Remember. They make great gifts for family and friends. So far my wife, children, grandchildren and a few friends have been winners. Make someone happy.

In November, the Lions of Michigan will be offering its outstanding Leadership Institute at Higgins Lake. In February, the Lions of Michigan Forum will be held in Lansing. After that it will be the district and state conventions where we conduct our business and have a lot of fun with friends new and old. More information on these next month.

Again. Please keep Lion Doug Schneider in your thoughts as he leads our District as Governor. If you get a chance to help him, do it.

Yours in Lionism,  
*Lion Ed Weessies*, Editor, Muskegon Northside "Lions Tale"

### **USA/Canada Lions Club Leadership Forum** **Mission Statement:**

***To develop leaders, motivate and educate attendees, provide an open exchange of ideas, and support the programs and goals of Lions Clubs International.***

At the forum, you have an opportunity to meet other Lions, share ideas and learn from all of the seminars. You can always learn new ideas from other Lions, and they will want to learn about our Club and Service Projects, too.

Typically each Lion is able to attend 4 seminars (2 in the morning and 2 in the afternoon) from an offering of more than 30 on Friday. On Saturday there is 3 seminar sessions (8:00 am, 10:00 am and 2:30 pm) as well as the featured lunch presentation by our International President. If you are a first-timer at a Lions Leadership Forum, be sure to arrive early on Thursday to take in a special orientation that is geared towards you!

All of the seminar presenters allow for time for questions at the conclusion of each session. Most seminars are interactive which allows you to discuss your questions or concerns with other Lions in a round-table format. You will find that the learning and sharing continues over the lunches and coffee breaks as well. Non-Lions are encouraged to attend too. So next year, make it a vacation opportunity as well.
