attend a meeting of Bruno's Lions club; it was in Swedish but still interesting to be part of. I presented them with a Northside banner. Home again for a couple of days, managed to squeeze in a 50th Anniversary of the Oscoda Lions Club then off to Utah until the end of the month.

I want to thank all of you for getting busy with the calendar project in my absence, it is greatly appreciated. Each calendar sold represents \$10.00 that we can spend in our community so this alone should make the sales easier. We also are getting lots of attention from the work on the Causeway and in particular on the island. We all owe member Lupe Alviar a big thanks as he has spearheaded this project and with all his connections it has moved to the point that big announcements will be soon be forthcoming. These efforts are what being a Lion is all about. Let's continue to fight the good battles for our community.

~Till next month, Dennis.

From the desk of President Lion Ron Hansen

Hello everyone,

Our weather has cooled down but our work continues.

We attended two events this past month. One was our Immediate Past District Governor Rock Wood's Appreciation Dinner. We will be hosting this event next year when District Governor Doug Schneider's year ends so we need to be prepared.

The second event was the West Michigan Lions' Projects Night. If you have never attended this event I would recommend you do so. It gives us an overall view of what we do as Lions to serve our community. It really is a good night for all Lions. Our project on the Veterans' Memorial Causeway has a good start but there is tons of work yet to be done.

We have also been involved in our third food truck of 2013. I need to say "thank you" to all of the very active Lions in our Muskegon Northside Lions Club. We do a lot of good in the Muskegon area. Well the Tigers of 2013 are done BUT the Lions of Muskegon Northside are still on the job!
Lion Ron

Fellow Lions,

November is a special time for me. Most of all it is a time of giving thanks for family and friends. For us Lions it is being thankful for each other especially our newer members who have joined us to serve our community. We can be thankful for being a part of the world's largest service organization that give so much to those in need and that makes help the world a better place to live. We are to be thankful for all those who support our efforts. Not just those who support us financially but also for their helping hands on our various projects.

We should be thankful for our great leaders like District Governor Doug Schneider, with support of Lion Cheryl, along with our Past International Directors Dennis Cobler and Gary Anderson, their spouses and all the others who have given of themselves to lead us in a way that makes us one of the best if not the best service club on earth. We are to be thankful for all those who over the years have lead our club to the status it has today.

Our Raffle Calendar was distributed at our September 17th meeting. If you were unable to attend that meeting you should be receiving a call to arrange a delivery. Lions Bradford, D. Cobler, and Olsen have the calendars ready for you to get busy selling them. Having two months to get them sold should be a bit easier. Remember. They make great gifts for family and friends. So far my wife, children, grandchildren and a few friends have been winners. Make someone happy.

From the desk of Lion Dennis Cobler, PID

Hello Lions:

September and October has been a blur. After returning from the USA/Canada Forum

Kathleen and I were part of a medical mission for children in Jamaica, saw nearly 900 children during the 5 days of clinics. The team consisted of pediatricians, nurses, pharmacists and a great group of people who assisted the team. This was not our usual mission in that we did not prescribe that many glasses, only about 80 pair. Most of the children were under 6 years of age so their eyes were good. We had one day at home then I went to Amsterdam for a meeting of the European Global Leadership Team. They are very good in leadership training so was a pleasure to sit in with them. I then traveled to Sweden to spend a few days with our friends Bruno and Inger Ahlqvist who had the pleasure of serving with for two years while on the International Board and many years on International membership and leadership committees. I was also able to

This month has a special event that being the Lions of Michigan Leadership Institute at Higgins Lake. This is weekend for personal growth. The topics are not just to make you a better Lion but a better person. In February, the Lions of Michigan Forum will be held in Lansing. After that it will be the district and state conventions where we conduct our business and have a lot of fun with friends new and old. Contrary to popular belief, our conventions are NOT just for past district governors and old timers like me. There is much to be learned at these events for those who want to know more about our great association.

Yours in Lionism,
