

### We Serve

During the Month of May,  
we remember those that gave all.

#### From the desk of Lion Michael O'Lonergan, President

Ready, Get set, Go for lots spring and summer activities that have begun, but will begin to accelerate. May is here. Easter is done. Nice spring weather has graced us once again. Hooray! We hope everyone had a good holiday. Lots of activities will be requesting help. Please consider giving a bit of your time for some these worthwhile activities listed on our calendar and talked about at our meetings. Also consider bringing a friend or family member to help and see what we do.

We have several spouse/special meetings coming in the next several months. Melvin Jones award night, officer's installation, and a pot luck that all have significance especially to those individuals involved. Please support them and our club by having a big attendance at these functions. We will be honoring some deserving individuals at the first meeting in May for MJ night. Please show support by attending meetings whenever you can.

The Northside Lions do have a good core of very engaged members but like with any group we need to have an infusion of fresh ideas that come with new people. Just like the fresh water of a cold mountain stream. We do not want to get stagnant. Remember we are always looking to rotate people into some of the committee chair or co-chair spots of the standing committee activities. We will be looking for some Causeway Captains and also two individuals for overseeing our meal program. If you are interested please let 1st VP Barb Pellerin, 3rd VP PJ Hoppa, or I if you wish to become more involved. We are always looking for more good committed Lions. There is always room for YOU.

Thank you to all of you who give of their time and treasure!

Lion Michael

President Northside Lions

#### From the desk of Lion Dennis Cobler, PID

How quickly we notice the time flying, Easter has come and gone and the month of April is soon to be history. Kathleen and I will be attending the A5 convention in Sault Ste. Marie, Ontario as their International speaker April 21-23.

This will be our only International assignment this year but it does come as a bit of a surprise that after being off the International Board for 17 years anyone would even know if I were alive or not!

The first meeting in May brings what I consider to be the best meeting of the year, our annual Melvin Jones Fellow Night. Our Northside Lions Club has been a leader, not only for our District but the Michigan Multiple District as well. We have had 49 of our current and past members become Fellows or Progressive Fellows and as you will hear during the May 2nd meeting this represents a very large combined donation to the foundation. If you put the total into just the Measles Initiative program that our Foundation shares with the Gates Foundation and others it translates into over 250,000 children spared the grief or possible death from measles. Also, had these club and individual donations been spent on the River Blindness Initiative we would have helped save nearly 140,000 of our neighbors in our Western Hemisphere from total blindness! It is because of the membership of Lions International that these urgent needs are being met. Whenever you feel that your time with Lions may not have amounted to what you expected just consider these above facts which barely scratch the surface of what we are accomplishing worldwide. Moving closer to home we are also doing many things that make life a bit better for those here in Muskegon. Just imagine what we could accomplish if we all got on the same page for community service! What more of a difference we could make if more of our membership joined in the efforts we have chosen to focus on. We have done many small miracles but we could do so much more. Please continue to give what you can.

Until next month, PID Dennis

Our spectacular Parade of Nations is on Saturday, July 1, 2017. An estimated 10,000 Lions from over 125 countries.

Many in native dress will march.

The 100th annual Lions Clubs International will be in Chicago, IL, USA, June 30 – July 4, 2017

### An Editorial by:

**Lion Ed Weessies, PCST**

Fellow Lions, **Lions Tale Editor**

The month of April has been rather busy playing catch up after two and one half months in Florida. Glad to be home.

We have found an alternative method for White Cane Tag Days. We will have members stationed at six business locations. Certificates of Insurance and Thank-you have been prepared. No dodging cars. We must remember that White Cane Tag Days is more than a fund raiser. It is a method of bringing awareness to the White Cane law and the law on accommodation for service dogs.

A repeat. Lion Frank DiPiazza, our publisher, and myself would like more news of what we are going to do not just what we have done. On activities we are planning, please let me know so I can get the info posted in our newsletter as well as forwarding the information to our district newsletter and state magazine. You are also asked to share the details with Lions Kathleen Cobler or Frank DiPiazza so they can post them on our Facebook page. The Internet is a great way to spread the word of what we do. Don't forget pictures!

We are in need of a new place to store our parade float – inside preferred. The float is 7' 6" wide by 18' long by 4' high. It will need to be accessed once a year (the second Thursday in August). Please contact me or Lion Dennis Cobler if you know of a location.

On May 2nd will be our Melvin Jones night. This will be a spouses/guests night. Past International Director Gary Anderson will be our featured speaker. We will be presenting two Melvin Jones Fellowships and other presentations. To date our club has 51 Melvin Jones Fellows on record at LCIF and since our inception our club and its members, past and present, have donated \$137,000.00 to our Foundation. Something to be proud of.

The 2017-2018 club officers have been elected. Formal installation will take place on June 20th at the Community United Methodist Church on N. Getty Street just south of Meijer's. The installation will be performed by Lion Ron Gibson, District Governor of District 11 E1 just to our north. This is a spouses/guest night.

Of special note is the week of May 15 through 20 – yard sale at Unity United Methodist Church. May 20 will be yard clean up and set up. May 16 & 17 will be accepting sale items and pricing. Friday, May 19 will be a sale day beginning at 9 a.m. to 3 p.m. Saturday, May 20 will be a sale day beginning at 9 a.m. to noon. After noon will be preparing items not sold for donation. Last but not least, you all are asked to continue to keep those of our members, former members and their family members that are ill or recovering in your thoughts and prayers. They include Lions Dennis Cobler, Michael O'Lonegan, former Lion Tom Carl, Marcy Dreikorn, and the families of Lion Kevin Dean, Lion Ed Mouw, Lion Kirk Chauvez, Lion Larry Seastrom and former Lion Art Wolffs. I am sure there are others. Please keep me posted as to who might be ill, been in an accident, lost a loved one or had surgery. We are a family.

May you and yours be safe during the next few winter months.
